

FOR FALL 2021:

Class fees range from \$2 to \$15 per class for the entire 14 weeks because class fees pay only for supplies. Families can sign up for just one or two classes or for all day.

The Family Registration Fee is \$75, but we offer a variety of discounts, such as teaching a class, turning in lesson plans early, serving on the set-up or clean-up crews, serving as a greeter, bringing 5 canned foods to Orientation, serving in the military, being members of Outlook Academy or Eastmont Baptist Church, etc. As a result, most families pay only \$30-40. The Family Registration Fee covers insurance and general supplies.
